- Online games with friends

Bartosz Bednarski

Front-end Developer

I have 1.5 years of experience in programming web applications, including 3 months of commercial experience. The technologies I have written the most code in and feel comfortable with are React with Redux and TypeScript combined with Sass. Currently, I am creating websites with Wordpress. I am currently learning and improving my skills in React Native and Cypress.

Work & experience

Junior Front-end Developer at GISON

01.07.2023 - 30.09.2023

Responsibilities:

- Fixing JavaScript bugs
- Implementing scripts into application from others projects
- Implementing components with backend cooperation
- Creating online and pdf forms for local governments

Technologies:

JS | JQuery | Sass | CSS | Leaflet | Git | Gitlab | Gulp | HTML5 | Jira
